

Dental Makeovers

Dental Makeovers

This patient's teeth was mde over with 8 CEREC porcelain crowns on the upper t
in one morning session.The lower teeth was corrected with a CEREC porcelain bridge This patient
periodontal surgery to get her mouth into a healy condition.She had broken teeth extracted and received 5 titanium
dental implants.Finally the upper teeth were restored with CEREC crowns which we produced on the same day
patient firstly had undergone BRITESMILE teethwhitening on all her teeth to get a white smile.Then ,in a second
sitting,she had crownlengthenings done to reduce the amount of gum shown on the upper teeth and then we made her
CEREC porcelain crowns ,all on the same day This patient had BRITESMILE treatment to whiten his
3 CEREC crowns done on some of his upper teeth This patient had under g
placed 28 CEREC crowns (all her teeth),which were done in 2 full days in our surgery.The first day all the upper teeth
was done and the second day all the lower teeth
crownns This patient had a full mouth reconstruction done-he
This patient had BRITESMILE teethwhitening plus several CERE
